

J7 2011-2012 Trimester 3 Exam 1

Exam includes:

1. Solving equations like those you have been solving in the algebra practice homework assignments.
2. Material from the book *Japanese Grade 8 Mathematics* (the photocopied material) pages 1 - 7.
3. Exponents that are integers; that is, the numbers $\dots, -3, -2, -1, 0, 1, 2, 3, \dots$.
4. Problems like those of problem-set 12-03-12A-NEM2 question #1.
